From (Name) M.R.Ry Dewan Bahadur A. Appadurai Pillai Avl., M.A.,
(Designation) Director of Industries.

To The Secretary to the Government of Madras,
Development Department.

Sir,

With the permission of the owner of the rented buildings where the Government Trades School Mangalore is accommodated, an open shed has been erected in the premises at Government expense to house the motor cars belonging to the school. The shed can be taken down and re-erected elsewhere, when the premises are vacated, in accordance with the terms of the agreement under which the premises have been rented, namely that the shed and all other improvements made by the department will be removed and the land restored to its original condition. No ground rent is paid by the department for the land on which the shed stands, as all the Municipal taxes are paid by the owner.

owner. But the Municipal authorities have assessed the annual value of the shed at Rs.76-4-0 for the half year commencing from 1st October 1930 and have levied an additional tax of Rs.7-10-0 in addition to the taxes paid by the owner on the rented buildings. The owner however does not agree to pay this sum and there is no alternative but to pay this amount from Government funds. I request that sanction may be accorded for the payment of Rs.7-10-0 towards the municipal tax on the motor shed for the current half year, and for similar payment in future so long as the premises are under the occupation of Government.

2. The necessary expenditure can be met from the provision in the current year's budget under rates and taxes.

for Director of Industries.
